INSTRUCTION TO BIDDERS

1. INTRODUCTION

Jammu & Kashmir Power Development Department, J&K, Govt. (PDD) is the sole Transmission and Distribution Utility of J&K State. Jammu & Kashmir State Electricity Regulatory Commission (J&KSERC) intends to engage a well established, reputed and experienced firm for carrying out Third Party Safety Audit of the Distribution System of 4 Distribution Circles of PDD. The nodal point of contact for the firms shall be Jammu & Kashmir State Electricity Regulatory Commission H.No. 101, Sector-A, Bagh-I-Hyder, Hyderpora Chowk, (near fly over bridge) Srinagar-190014 (J&K).

- 1.1 The bidders are required to submit Proof of Eligibility, Technical Proposal and Financial Proposal, for services required for the Assignment named in the attached Data Sheet. The Proposal could form the basis for future negotiations and ultimately a contract between the firm ("Auditors") and J&KSERC ("Client").
- 1.2 A brief description of the assignment and its objectives are given in data sheet.
- 1.3 The Assignment shall be implemented in accordance with the phasing indicated in the Data Sheet and Terms of Reference (TOR).
- 1.4 The bidders must familiarize themselves with local conditions and take them into account in preparing the Proposal. To obtain first-hand information on the Assignment and on the local conditions, bidders may pay a visit to J&KSERC before submitting a Proposal,

and attend a pre-proposal conference as specified in the Data Sheet. Attendance to the pre-proposal conference is optional.

1.5 Please note that

- (i) The cost of preparing the proposal and of negotiating for the contract, including a visit, as borne by the firm shall not be reimbursable as a direct cost of the Assignment; and
- (ii) J&KSERC is not bound to accept any of the Proposals submitted.

1.6 J&KSERC policy requires that the Auditors provide professional, objective, and impartial advice and at all times hold the Client's interests paramount, without any consideration for future work, and strictly avoid conflicts with other assignments or their own corporate interests. Auditors shall not be hired for any assignment that would be in conflict with their prior or current obligations to other clients, or that may place them in a position of not being able to carry out the assignment in the best interest of the Client.

1.7 Auditors or any of their affiliates shall not be hired for any assignment, which, by its nature, may be in conflict with another assignment of the Auditors.

1.8 Auditors shall observe the highest standard of ethics during the selection and execution of such contracts. In pursuance of this policy, J&KSERC:

- (a) defines, for the purposes of this provision, the terms set forth below as follows:

(i) "corrupt practice" means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the selection process or in contract execution; and

(ii) "fraudulent practice" means a misrepresentation of facts in order to influence a selection process or the execution of a contract to the detriment of J&KSERC, and includes collusive practices among Consultants (prior to or after submission of proposals) designed to establish prices at artificial, noncompetitive levels and to deprive J&KSERC of the benefits of free and open competition.

(b) will reject a proposal for award if it determines that the firm recommended for award has engaged in corrupt or fraudulent activities in competing for the contract in question;

(c) will cancel the firm's contract if it at any time determines that corrupt or fraudulent practices were engaged in by its representatives.

(d) will declare a firm ineligible, either indefinitely or for a stated period of time, for award of any contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, the contract; and

1.9 Auditors shall not be under a declaration of ineligibility for corrupt and fraudulent practices issued by J&KSERC in accordance with the above sub Para. 1.8 (d).

1.10 Auditors shall furnish information as described in the financial proposal submission form (Appendix-III) on commissions and gratuities, if any, paid or to be paid to agents relating to this proposal, and to contract execution if the firm is awarded the contract.

2. DOCUMENTS COMPRISING THE RFP

- 2.1 To enable bidders to prepare a proposal, attached documents listed in the Data Sheet, be used.
- 2.2 Firms requiring a clarification of the document must notify J&K SERC, in writing before the pre-proposal meeting to be held as indicated in data sheet. J&KSERC will respond by letter/facsimile or email to such requests and will send copies of the response to all other invited firms.
- 2.3 At any time before the submission of Proposals, J&KSERC may, for any reason, whether at its own initiative or in response to a clarification requested by an invited firm, modify the RFP documents by amendment. The amendment shall be notified in writing by e-mail or by letter or facsimile to all invited firms and shall be binding on them. J&KSERC may at its discretion extend the deadline for the submission of Proposals.

3. PREPARATION OF PROPOSAL

Bidders are requested to submit proof of eligibility, a technical and a financial proposal. Your proposal shall be written in the language specified in the Data Sheet.

Proof of eligibility

- 3.1 Bidders are requested to provide information regarding proof of eligibility in the format attached in Appendix-I

Technical Proposal

- 3.2 Bidders are expected to examine all terms and conditions included in the documents. Material deficiencies in providing the information requested may result in rejection of a Proposal.

3.3 While preparing the technical proposal, particular attention must be given to the following:

- (i) If a firm considers that it does not have all the expertise for the Assignment, it may obtain a full range of expertise by associating with other firms or entities in a joint venture relationship as appropriate but not with firms invited for this assignment.
- (ii) The Proposal should be based on the number of professional staff-months estimated by the firm.
- (iii) The majority of the key professional staff proposed should be permanent employees of the firm.
- (iv) Proposed professional staff must have adequate experience for the assignment, i.e., they should have conducted similar assignment earlier.
- (v) Alternative professional staff shall not be proposed, and only one curriculum vitae (CV) may be submitted for each position.
- (vi) Reports to be issued by the Consultants as part of this assignment must be in the language specified in the Data Sheet. It is desirable that the firm's personnel have a working knowledge of the national/regional language.

3.4 Bidders technical proposal should provide the following information using but not limited to the attached Standard Forms (Appendix-II):

- (i) A brief description of the firm's organization and an outline of recent experience on assignments (Appendix-II-B) of a similar nature. For each assignment, the outline should indicate, inter

alia, the profiles and names of the staff provided, duration of the assignment, contract amount, and firm's involvement.

- (ii) Any comments or suggestions on the Terms of Reference (TOR) and on the data, services, and facilities to be provided by the Client (Appendix-II-C), and a description of the methodology (work plan) by which the firm proposes to execute the services, illustrated, as appropriate, with bar charts of activities and graphics, or the Program Evaluation Review Technique (PERT) type. (Appendix-II-D).
- (iii) The composition of the proposed staff team, the tasks that would be assigned to each staff team member and the time proposed to be given by the team members. (Appendix-II-E).
- (iv) Latest CVs recently signed in blue ink by the proposed key professional staff and the authorized representative submitting the proposal (Appendix-II-F). Key information should include number of years working for the firm/entity and degree of responsibility held in various assignments during the last five (5) years.
- (v) Estimates of the total staff effort (professional and support staff; staff time) to be provided to carry out the Assignment, supported by bar chart diagrams showing the time proposed for each key staff team member. (Appendix-II-G)
- (vi) Any additional information requested in the Data Sheet.

3.5 The technical proposal shall not include any financial information.

3.6 The Auditing firm should propose at least 3 personnels of a team as given below:-

- i) The Team Leader should have a degree in Electrical/Electronics Engineering with minimum of 5 years of experience in construction/maintenance of electrical distribution system.
- ii) Other members assisting the team leader should possess a Diploma in Electrical Engineering with 3 years experience or a certificate from ITI, recognized by Central/State Govt. in appropriate trade with 5 years experience in electrical distribution system.

Financial Proposal

3.6 In preparing the financial proposal, auditors/consultants are expected to take into account the requirements and conditions of the RFP documents. The financial proposal should follow Standard Forms (Appendix-III). It should list all costs associated with the Assignment. These normally cover; remuneration for staff (in the field and at headquarters), accommodation (per diem, housing), transportation (for mobilization and demobilization), equipment (vehicles, office equipment, furniture, and supplies), office rent, insurance, printing of documents, surveys etc;

3.7 Commissions and gratuities, if any, paid or to be paid by consultants and related to the Assignment will be specified in the financial proposal submission form (Para 1.10).

3.9 The Financial proposal must take into account all taxes, duties and cost of insurance specified in the data sheet but excluding service tax.

4. SUBMISSIONS OF PROPOSALS

4.1 Bidders must submit one original copy of the proposal and the number of copies indicated in the Data Sheet. Each copy of the

Proof of Eligibility, Technical Proposal and Financial proposal shall be separately sealed and put in an outer envelope, which shall bear the address and information indicated in the data sheet.

Note: - Proof of Eligibility, Technical Proposal and Financial Proposal shall preferably be in hard bound form, separately with all pages numbered serially and by giving an index of submission.

- 4.2 The outer envelope shall include three separate envelopes; one clearly marked "*Earnest Money against Tender No.: JKSERC/BIDS/02 of 2014-15 dated 13-06-2014*" second one marked as "Technical Proposal" and third one clearly marked as "Financial Proposal". All the three envelopes containing nos. of copies should be marked "Original" or "Copy" as appropriate.
- 4.3 If there are any discrepancies between the original and the copies of the Proposal, the original governs. An authorized representative of the firm initials all pages of the proposal in indelible ink. The representative's authorization is confirmed by a written power of attorney accompanying the Proposal
- 4.4 The proposal must not contain any interlineations or overwriting, except as necessary to correct errors made by the firm itself. Any such corrections must be initialed by the person or persons who sign(s) the Proposals.
- 4.5 The completed technical and financial proposal must be delivered at the submission address on or before the time and date stated in the Data Sheet. Any Proposal received after the closing time for submission of proposals shall be returned unopened. The proof of eligibility and technical proposal shall be opened on the date and time indicated in the data sheet.

4.6 The proposal should be valid for the number of days stated in the data sheet from the date of its submission prescribed in the data sheet, during which you must maintain the available professional staff proposed within this period for the assignment. J&KSERC will make its best efforts to complete negotiations at the location stated in the data sheet.

5. PROPOSAL EVALUATION

5.1 A three-stage procedure shall be adopted in evaluating the proposals.

- (i) **Evaluation of Proof of Eligibility Document:** - Evaluation of the proof of eligibility shall be done in accordance with the criteria given in the data sheet from the documents submitted by bidder in the format / form given in Appendix-I
- (ii) Technical evaluation shall be carried out prior to opening of Financial Proposals.
- (iii) Financial evaluation
Firms shall be ranked using a combined technical and financial score.

5.2 Auditors shall not contact the Client on any matter relating to their Proposal from the time of the opening of the Technical Proposal to the time the contract is awarded. If a firm wishes to bring additional information to the notice of the client, it should do so in writing at the address indicated in the Data Sheet. Any effort by the firm to influence the Client in the Client's Proposal evaluation, proposal comparison or contract award decisions may result in the rejection of the Consultant's proposal.

Evaluation of Technical Proposals

5.3 Evaluation of proposals shall be carried out on the basis of their responsiveness to the Terms of Reference, applying the

evaluation criteria and point system specified in the Data Sheet. Each responsive proposal will be given a technical score (St). A proposal considered unsuitable shall be rejected at this stage if it does not respond to important aspects of the Terms of Reference or if it fails to achieve the minimum technical score indicated in the Data Sheet. The Client shall notify consultants of the rejection of their Technical Proposal indicating that their Financial Proposals also stand rejected. J&KSERC shall simultaneously notify the consultants that have secured the minimum qualifying mark, indicating the date and time set for opening the Financial Proposals. The notification may be sent by registered letter or facsimile or email.

Evaluation of Financial Proposals; Ranking: -

- 5.4 The J&KSERC shall notify in writing the consultants that passed the minimum technical score, and indicate the date, and time, and address indicated in the Data Sheet, for opening the Financial Proposals. The notification may be sent by registered letter, or facsimile or email.
- 5.5 On opening the Financial Proposals in public (i.e., in the presence of the consultants who have elected to attend), the Client will announce the names of the consultants, the technical scores, and the amounts of their Financial Proposals. The Client will keep a register of representatives attending the meeting and prepare minutes of the public opening.
- 5.6 The evaluation committee will determine whether the Financial Proposals are complete and without any computational error. The lowest Financial Proposal (Fm) will be given a financial score (Sf) of 100 points. The financial scores (Sf) of the other financial proposals will be computed as follows:

$Sf = 100 \times Fm / F$ (where F stands for amount of bid in the Financial Proposal).

- 5.7 Proposals shall finally be ranked according to Total Score (ST) which will be combined technical (*St*) and financial (*Sf*) scores using the weights indicated in the Data sheet.

$$ST = Wt \times St + Wf \times Sf.$$

- 5.8 The firm achieving the highest combined technical/financial score will be invited for negotiations.

6. PRE AWARD CLARIFICATION

- 6.1 If required, the most responsive bidder may be invited for any clarification, if required, on any point at the address indicated in the Data Sheet. The aim would be to reach agreement on all points and sign a contract.
- 6.2 Clarification may include a discussion of the Technical Proposal, the proposed methodology (work plan), staffing and any suggestions made by the firm to improve the Terms of Reference. The Client and firm will then work out agreed final Terms of Reference, staffing, and bar charts indicating activities, staff, periods in the field and in the home office, staff-months, logistics, and reporting. The agreed work plan and final Terms of Reference will then be incorporated in the "Description of Services" and form part of the contract. Special attention will be paid to optimizing the required outputs from the firm within the available budget and within specified time and to clearly defining the inputs required from the Client to ensure satisfactory implementation of the Assignment.
- 6.3 The Clarification on financial part, if required, will only include a clarification of the firm's tax applicability in the Client's area (if any), and how it will be reflected in the contract. Unless there are exceptional reasons neither the remuneration rates for staff nor other proposed unit rates will be negotiable.

6.4 The Pre-award clarifications shall be concluded with a review of the draft form of the contract. J&KSERC and the firm will accept the agreed contract. If an agreement is not reached, J&KSERC may invite the firm that received the second highest score for negotiations.

7. AWARD OF CONTRACT

7.1 The contract shall be awarded after successful negotiations with the successful firm. Upon successful negotiations, the J&KSERC shall promptly inform other bidders on the shortlist that they were unsuccessful and return the financial proposals of those bidders who did not pass the technical evaluation (para 5.3)

8. CONFIDENTIALITY

8.1 Information relating to evaluation of proposals and recommendations concerning awards shall not be disclosed to the bidders who submitted the proposals or to other persons not officially concerned with the process, until the award of contract is notified to the successful firm.

9. CLARIFICATION ON BID DOCUMENTS

The prospective Agency may obtain any clarification regarding the bid document by writing or faxing to
